

ACROSS THE FENCE

August 14, 2022

You still have two weeks to gather all your papers to shred. The shredding truck will be back by popular demand at our Community Happening on Wednesday, August 31. You will be rewarded for your hard work with ice cream provided by Grand Oaks. Everything is free and everyone in Berkely, Foxhall, Kent, Palisades, Spring Valley and Wesley Heights is invited! If you want to get a taste of Mr. Yate's fitness class, he will be giving demonstrations. The firefighters will be doing blood pressure checks and glucose screening. Board member Charles Lanman will check out your bike. We will have live music and Charlee Mize will be tap dancing. Let's end the summer with a little fun!

ART INTROSPECTION - MAX ERNST

Max Ernst painted “A Moment of Calm” in 1939. Max Ernst was a prolific, pioneering, German-born surrealist artist and influencer of Dadaism. Sireen recently saw “A Moment of Calm” at the National Gallery of Art’s East Wing, and they were instantly magnetized and captivated by the piece. It spans almost an entire wall and

certainly has a grand presence. The intensity and warmth of its colors, combined with its high textural quality, layers of symbolism, and allusions to natural life and wildness, contrasted with darkness and ominousness suggesting impending danger or thrill, will evoke something different for each viewer. What does the painting bring up for you? What do you see here? And what questions might be arising for you? Register [here](#) for this program hosted by FBWE Village.

The Mexican-themed Volunteer Potluck last Tuesday night at Kathy Sreedhar's lovely home was a pure delight! The food contributions were super tasty and Bob's margaritas were out-of-this-world. The evening gave us a chance to thank our loyal volunteers who do so much for our members. ***The Village could not exist without you!***

If you loved Joan's peach cobbler, check out the recipe [here](#). This dessert is perfect for entertaining guests on a summer night or even during the middle of the day at a cookout. Fresh peaches make this dish absolutely delicious. You could even top with a scoop of vanilla ice cream.

By the way, do you have serving spoons lying around that you no longer use? The Village is trying to build up a supply of serving spoons for future events. Please drop them off at the office when you get a chance. Thank you!

Are you traveling anywhere exotic this summer? Send us your pictures so that we can live vicariously through you. Board member Arne Paulson and his wife Sara were in Iceland!

ART THURSDAY: WE ARE MADE OF STORIES: SELF-TAUGHT ARTISTS IN THE ROBSON FAMILY COLLECTION -- *We Are Made of Stories* is a fascinating exhibit currently on view at the Smithsonian American Art Museum. We are fortunate to be able to bring this exhibit into your homes via Zoom courtesy of the Education Department of SAAM. *We Are Made of Stories* traces the rise of self-taught artists in the twentieth century and examines how, despite wide-ranging societal, racial, and gender-based obstacles, their creativity and bold self-definition became major forces in American art. The exhibition showcases forty-three artists whose work was admired and collected by Margaret Z. Robson (1932–2014). Margaret valued their artworks and personal stories, believing both offered a truer, more complete portrait of our nation's makers and redefined who could be an artist in America. Register [here](#).

Thursday, September 8, 11 a.m. - 12 p.m.

Creative Wellbeing in Later Life - People over the age of sixty-five now outnumber those under the age of five for the first time in human history. Nevertheless, more older adults suffer from feelings of loneliness, boredom, and helplessness. However, older adults who maintain or adopt an art- or music-making practice often experience greater satisfaction in their lives. In this presentation, folklorist Jon Kay shares observations from more than twenty-five years of documenting the expressive lives of elders. Register [here](#).

Friday, September 9, 1 p.m. - 2 p.m.

"Fashioning an Empire" Virtual Tour with the National Museum of Asian Art - View extraordinary seventeenth-century textiles, full-length portrait paintings, and beautiful illustrated manuscript folios that appeared in the Smithsonian National Museum of Asian Art's recent "Fashioning an Empire: Safavid Textiles from the Museum of Islamic Art, Doha" exhibit. Register [here](#).

Tuesday, September 13, 11 a.m. - 12 p.m.

American Women and the Fight For Equality: 1920-2020 - The 19th Amendment was an incomplete victory. Black and white women fought hard for voting rights and doubled the number of eligible voters, but the amendment did not enfranchise all women, or even protect the rights of those women who could vote. A century later, women are still grappling with how to use the vote and their political power to expand civil rights, confront racial violence, improve maternal health, advance educational and employment opportunities, and secure reproductive rights. Register [here](#).
